

# Who is

City & Guilds is one of the world's leading vocational education businesses. Since 1878, millions of people have used our qualifications to enhance their skills and today millions more are leading skills that are widely accepted as a benchmark for workplace excellence.

As well as City & Guilds, the group includes the Institute of Leadership and Management (ILM) and the Centre for Skills Development [www.skillsdevelopment.org.uk](http://www.skillsdevelopment.org.uk)

City & Guilds also is the first UK awarding body to launch the Europass Certificate Supplement which makes it easier for learners to find employment or training beyond their own country.

City & Guilds is also the Premier Sponsor of WorldSkills London. Held every two years, this exhibition of world-class vocational skills inspires young people, their parents and tutors and unleashes the talents that create economic well-being and success.

# Why us

Our qualifications offer five key advantages:

**Progression**  
Our qualifications offer a clear progression path to the highest standards of professional achievement.

**Aspirations**  
Our qualifications equip people with the skills to fulfil their aspirations.

**Portability**  
Recognised by governments, educational institutions, professional bodies and employers, our qualifications open doors around the world.

**Employability**  
Workplace-relevant and developed with industry experts, our qualifications make people more employable.

**Brand**  
City & Guilds is recognised as a world leader in vocational education and business.
